# Erratum to “Oral administration of egg white ovotransferrin prevent osteoporosis in ovariectomized rats” [Food Science and Human Wellness 13 (2024) 2562-2572]

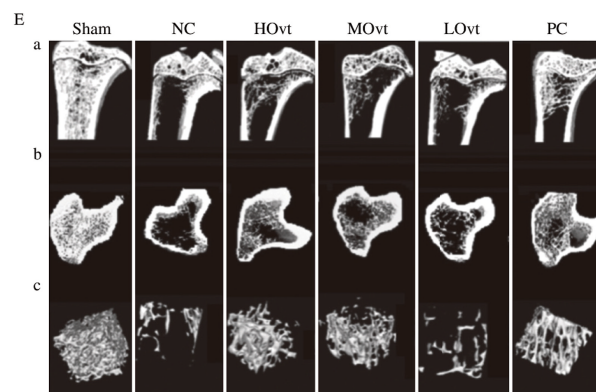

Nan Shang<sup>a,b,c</sup>, Xiaoyu Bao<sup>a</sup>, Michael Doschak<sup>d</sup>, Jianping Wu<sup>a,\*</sup><sup>a</sup> Department of Agricultural, Food and Nutritional Science, University of Alberta, Edmonton T6G 2P5, Canada<sup>b</sup> College of Engineering, China Agricultural University, Beijing 100083, China<sup>c</sup> Key Laboratory of Precision Nutrition and Food Quality, Department of Nutrition and Healthy, China Agricultural University, Beijing 100193, China<sup>d</sup> Faculty of Pharmacy & Pharmaceutical Sciences, University of Alberta, Edmonton T6G 2H5, Canada

The authors were contacted after publication to request a replacement of Fig. 3E in the manuscript. Unfortunately, the authors inadvertently used the micro-CT image matches another animal experiment. This occurred because we used that image as an example to organize our data and mistakenly uploaded the wrong figure. Importantly, this does not affect any conclusions of this article.

The authors kindly request to replace Fig. 3E to ensure the accuracy of the images and maintain the rigor of the study.

New Fig. 3E

Original Fig. 3E
